I really want to become King, no matter what
Eh?
Akane
Today will see strong winds in the afternoon, so exercise caution when going out.
.....
Wh-Why so suddenly...?
Could you withdraw from the election?
Hm?
...It's because I want to fix Shu-chan's leg.

It fell apart... And then Shu-chan...
Because the castle I created was incomplete,
You know how he has a bad leg, right?
A castle...? Why did you make that...?
Umm... From what I remember...
I'm glad Akane wasn't hurt
That's...
Actually...
It was a deep injury from an accident a long time ago...
O-Oh.
I JUST WANTED MY OWN CASTLE, THAT'S ALL.
EH!?
It was because of me

WHOOOOOSH
Whoa!
The wind really did get stronger...
You can't do that then.
If I can become King, then...
I need to make sure I don't buy too much or the bag will get full
There's no way he'd be happy about that
Doesn't that mean you're just sacrificing yourself to repay Shu-chan?
.....
Do you want to go together?
.....
And I don't want you to become King for a reason like that, either.
I'll just go again if I don't have enough space.
HUH!? IS THAT IT!?
I'M OFF TO SHOP.

Seeing those two really brings back some old memories

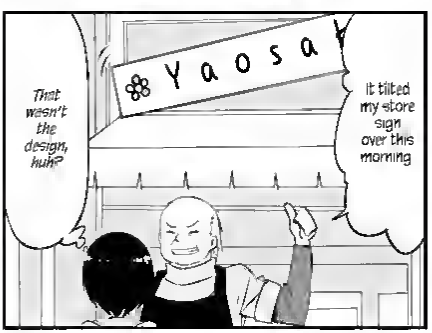
You sure have gotten pretty big, Kanade-chan.

Kanade-chan?
.....

I wasn't that small
To think you were ~~this~~ small back then

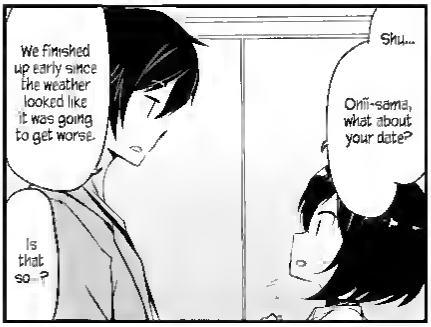
It's pretty windy, so be careful on your way home
Here's your change
OH I'M SORRY

Oh?



Yaosaka
That wasn't the design, huh?
It tilted my store sign over this morning

Isn't that the prince and Hana-chan over there?



We finished up early since the weather looked like it was going to get worse.
Is that so—?
Shu...
Onii-sama, what about your date?

So heavy...
I knew I should've brought Misaki along...

Well, our home is in this direction, so—
TAP TAP
So why are you behind me?

AH!
WHOOOOOOOOOOOSH

Using my power that way will just make me lazy
Why not just teleport home, then?

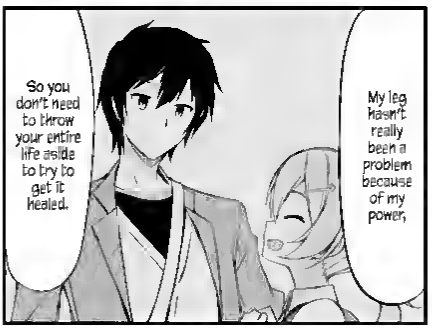
!!
Whoa there
PSHH

Must be tough having to worry about the cameras all the time...
I EXPECT NOTHING LESS FROM MY ONII-SAMA.

HEY, TALK ABOUT UNFAIR
PER-VERT!

Look, I'm happy that you want to heal my leg, but I'm more than happy enough now

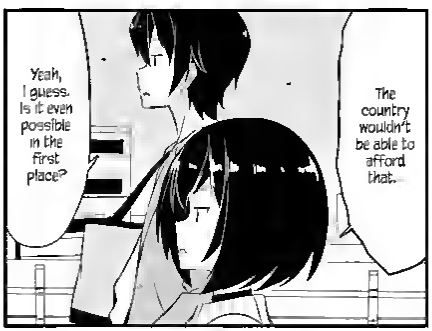
You know... What do you plan on doing exactly after becoming King for someone like me?



My leg hasn't really been a problem because of my power,
So you don't need to throw your entire life aside to try to get it healed.

You're not thinking of using the entire country's assets as compensation to restore my leg, right?

.....

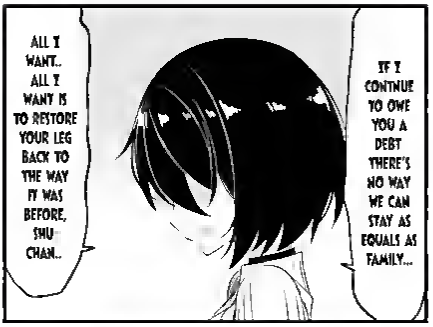


The country wouldn't be able to afford that...
Yeah, I guess. Is it even possible in the first place?

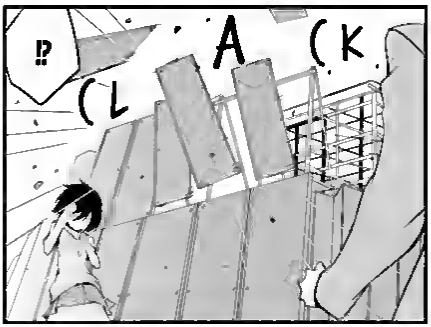
YOU ALWAYS LOOK DOWN ON ME LIKE THAT...
What?

Hm? If the country could afford it, she was going to go through with it...?

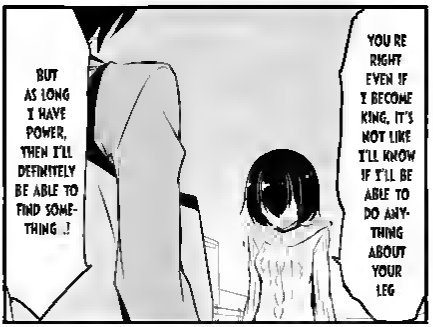
EEEK!?
WHOOOOOOSH



ALL I WANT.. ALL I WANT IS TO RESTORE YOUR LEG BACK TO THE WAY IT WAS BEFORE, SHU CHAN..
IF I CONTINUE TO OWE YOU A DEBT THERE'S NO WAY WE CAN STAY AS EQUALS AS FAMILY...



!?
CLACK



BUT AS LONG I HAVE POWER, THEN I'LL DEFINITELY BE ABLE TO FIND SOMETHING..!
YOU'RE RIGHT EVEN IF I BECOME KING, IT'S NOT LIKE I'LL KNOW IF I'LL BE ABLE TO DO ANYTHING ABOUT YOUR LEG

That's weird, my body isn't moving at all.
Ahh, it's coming straight for me!

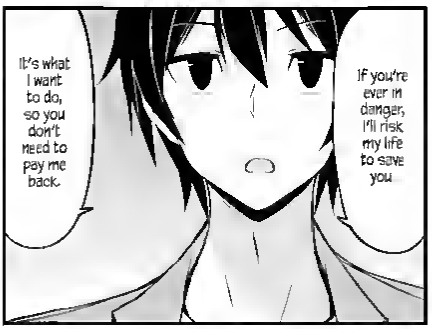
THERE MIGHT NOT BE ANYTHING I CAN DO! BUT I STILL HAVE TO TRY TO DO SOMETHING..!
Debt..? Don't tell me you..

But with this, I can pay him back just a little...

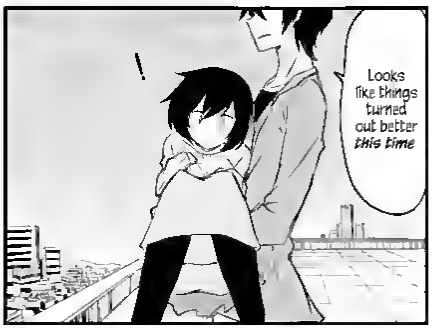
SO PLEASE...! JUST LET ME MAKE IT UP TO YOU...!!

...Even if you're the one at fault,
I will always be there for you when you're in trouble.

Phew...

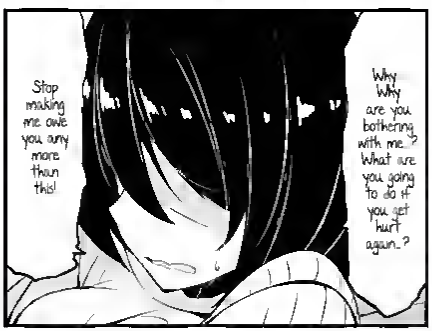


If you're ever in danger, I'll risk my life to save you
It's what I want to do, so you don't need to pay me back.



Looks like things turned out better *this time*
!

Why...? There's no way we could ever be equal that way...
It's fine that way.



Why... Why are you bothering with me...? What are you going to do if you get hurt again...?
Stop making me owe you any more than this!

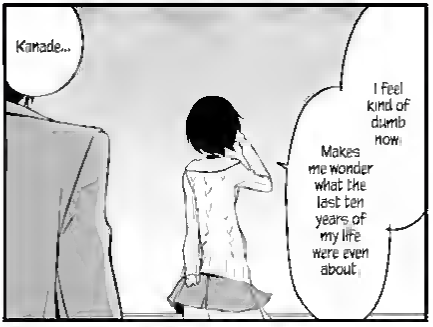
After all,
I'm Kanade's onii-chan

I'M BEGGING YOU, STOP PUSHING YOURSELF FOR SOME-ONE LIKE ME...!

Stop being so stubborn and just let Akane handle it...
It's obviously a different story when it comes to fulfilling my duty as part of the royal family.
I'm not like a certain somebody, after all...

R-Right
...I'm fine now, so you can let me down.

But to be something even more...
That's not what I mean. If anything, she shouldn't be aiming to be King.



Kanade...
I feel kind of dumb now.
Makes me wonder what the last ten years of my life were even about.

Eh? No, uhh...
Ah...
ONII-CHAN ♪
OR WHAT? ARE YOU GOING TO PLAY FAVORITES WITH YOUR LITTLE SISTERS?

Huh? You didn't before?
It's my loss.
I'll acknowledge you as my onii-chan, Shu-chan.

DON'T CHANGE THE SUBJECT!
Just look at how clear the weather's gotten.

HUH!? ISN'T THIS WHERE YOU'RE SUPPOSED TO DROP OUT OF THE RACE!?
OKAAAY, LET'S SWITCH GEARS AND BECOME KING!

Oh right, Akane, about the King—

We finished early
SLAM
We're back.
Huh? What about your date, Shu-chan?

Sure, if you changed your mind, that's okay with me

Come again? You're the one that came to me.
And then Kanade made me do some grunt work.

As I thought, you're not fit to be King
I'll forget about what we talked about before, so just leave the future of this coun—

AND I'M SAYING THAT'S NOT IT!
Kana-nee— I understand why you'd be jealous, but I'm not so sure about getting in their way...

HUH!? NOTHING'S CHANGED!?
NEVER-MIND EARLIER, JUST HAND OVER THE SEAT TO ME.

In any case, all's well that ends well.

Akane, is there anything you want?
Ehhh? What's this out of the blue...? Talk about creepy.
.....

With just Jackal alone... I can't overcome this election... Is it time to release him...? Release Fedor...!?
